

2019 Washington Youth Tour Application

This year, Kenergy will select three delegates for an all-expense-paid trip titled the Washington Youth Tour (WYT). The mid-June trip is coordinated through the Kentucky Association of Electric Cooperatives.

On WYT, students visit every major monument, visit the Holocaust Museum, spend a day at the Smithsonian, tour Capitol Hill, listen to outdoor concerts and much more.

To enter, student's primary residence must be powered by Kenergy. Whether students live with grandparents or other members of their families does not matter, as long as the house is powered by Kenergy. Students living with guardians or in foster care may be required to have a signed letter stating their primary residence is powered by Kenergy.
