FIVE DIRECTORS TO BE ELECTED IN 2020

Prior to Kenergy’s Annual Membership meeting to be held on June 9, 2020, individuals will be elected to represent Districts 4, 6, 8, and 9, as well as the cooperative's large industrial members.

**DISTRICT 4**, which currently is represented by Susie Givens, includes the area of Henderson County west of the Pennyrile Parkway and west of that portion of Highway 41 which runs to the north of the Pennyrile Parkway.

**DISTRICT 6**, which currently is represented by Larry Elder, includes the area of Daviess County west of U.S. 431.

**DISTRICT 8**, which currently is represented by Billy Reid, includes the area of Daviess County north and east of Kentucky 54.

**DISTRICT 9**, which currently is represented by Brent Wigginton, includes all of Hancock County.

A district director must be a member of the cooperative and must reside in the district he or she represents.

The **Industrial Director** must be a member of Kenergy or the employee of a member industry having a contract demand of at least 1,000 KW and must reside in a county all or a portion of which is located within Kenergy’s service territory. Richard Basham is the current Industrial Director.

Any 15 or more members may make nominations of eligible persons for district director and any five or more large industrial members may make nominations of eligible persons for industrial director. Such nominations shall be by signed written petition and shall be submitted to the Corporation not less than 110 days prior to the annual meeting. Only members eligible to vote in a district are authorized to sign a petition nominating a member from that district, and only those eligible to vote in an industrial director election are authorized to sign a petition nominating a person for industrial director. Directors shall be elected only from nominations by petition.

It is not a requirement to use a petition form prepared by Kenergy, however, anyone wishing to do so, may request one by contacting Debbie Hayden at 270-689-6101 or email at dhayden@kenergycorp.com.

The petition must be submitted to the cooperative by 4:00 p.m., February 19, 2020. Thereafter, if the petition is valid, the name of the nominee will be posted.

DECK THE HALLS SAFELY
PREVENT HOLIDAY ELECTRICAL FIRES

In the rush of decorating, shopping, cooking and entertaining, it might be tempting to shortchange safety measures you’d never think of doing any other time of the year. But don’t.

- Water your fresh tree daily throughout the season.
- Decorate your tree with LED lights.
- Make sure all decorations are plugged into GFCIs.
- Unplug your indoor lights before leaving or going to bed.

The Glenn English National Cooperative Leadership Foundation encourages educational advancement by awarding high education scholarships to eligible students. One $10,000 scholarship and four $1,000 scholarships are awarded annually through the foundation.

If you have participated in the Washington Youth Tour program in the past with Kenergy and will be enrolled as a full-time student at an accredited university or college by April 1st, then you’re eligible!

Applications are available starting December 14th and due April 1st, 2020. Awards will be distributed in August/September of 2020.

Visit www.electric.coop to read more information about the scholarship, requirements, and to apply. Contact Jeanette Weedman at 270.689.6157 or email jweedman@kenergycorp.com with questions.
Ingredients

- 3/4 cup butter, softened
- 3/4 cup packed brown sugar
- 2/3 cup molasses
- 1 large egg
- 1 teaspoon vanilla extract
- 3 1/4 cup all-purpose flour
- 1 tablespoon ground ginger
- 1 teaspoon baking soda
- 1 teaspoon ground cinnamon
- 1/2 teaspoon ground cloves
- 1/2 teaspoon kosher salt
- 1/4 teaspoon ground nutmeg
- Sugar cookie icing for decorating
- Sprinkles for decorating

Directions

1. In a large bowl using a hand mixer, beat butter, brown sugar, and molasses until fluffy. This should take about two minutes. Add egg and vanilla and beat until combined.

2. In a medium bowl, whisk flour, spices, baking soda, and salt until combined. With the mixer on low, gradually add dry ingredients to wet ingredients until dough comes together. Be careful not to overmix!

3. Divide dough in half and create two discs. Wrap each in plastic wrap and chill until firm, about two to three hours.

4. Preheat oven to 350 degrees and line two large baking sheets with parchment paper. Place one disc of dough on a lightly floured surface and roll until 1/4 inch thick. Cut out gingerbread men with a three inch wide cookie cutter and transfer to baking sheets. Repeat with second disc of dough.

5. Bake until cookies are slightly puffed and set, about ten minutes. Let cool on baking sheets for five minutes before transferring to cooling rack to cool completely.

6. Once cooled, use icing and sprinkles to decorate and enjoy!
