IN THE KITCHEN

APPLE CIDER DONUTS

Nothing says 'hello fall' like an apple cider donut! Your family and friends will love these for breakfast or as a sweet treat any time this autumn.

INGREDIENTS

3 cups apple cider

2 ½ cups all-purpose flour

1/3 cup packed brown sugar

2 tsp. baking powder

1 tsp. kosher salt

½ tsp. ground cinnamon

4 tbsp. butter, melted and cooled

1 large egg

Canola or vegetable oil for frying

½ cup cinnamon sugar

DIRECTIONS

1. In a medium saucepan over medium-high heat, bring apple cider to a boil. Continue to boil until reduced to ¾ cup, about 25 minutes. Pour into a large heatproof bowl and let cool to room temperature.
2. In a large bowl, whisk together flour, brown sugar, baking powder, salt, baking soda and cinnamon. Whisk butter and egg into cooled apple cider. Add dry ingredients to wet and stir until combined.
3. Cover bowl with plastic and refrigerate until dough is cold and firm, about 2 hours.
4. On a floured surface, roll chilled dough into a ½" thick rectangle, lightly flouring as necessary. Using a donut cutter or 3" and 1" biscuit cutters, punch out donuts. Bring scraps together and punch out as well. Place donuts and holes onto baking sheets, cover with dish towel.
5. Place cinnamon sugar in a shallow bowl. Heat ½" oil in a large stockpot or Dutch oven over medium-high heat until a deep-fry thermometer registers 350°.
6. Working in batches, add donuts to Dutch oven and cook until evenly golden and crispy, 1 to 2 minutes per side, adjusting heat as necessary to maintain frying temperature between 350° and 375°.
7. Transfer to a paper towel-lined plate for 30 seconds, then roll warm donuts in cinnamon sugar mixture to coat.

NO MEMBER APPRECIATION DAY

The Kenergy Board of Directors have voted not to have a Member Appreciation Day in 2020. This decision was made due to health and safety concerns associated with COVID-19. The plan is to resume Member Appreciation Day in 2021.

Co-op Connections

Holiday Shopping Guide

Start marking off the days 'til Christmas! As the hustle and bustle of the holiday season approaches, we want to take this opportunity to tell you how to save money while shopping local!

While Kenergy's number-one priority is safe and reliable service, we are committed to offering additional value that has a positive impact on everyone in the community. That's why we participate in Co-op Connections, a card that offers you discounts on products and services from local and national businesses. This one card offers many national deals (including retail coupons, discounts on prescriptions, vision, dental, chiropractic, car rentals, travel, lodging) and Kenergy adds local discounts to increase the value close to home.

The Co-op Connections card is FREE and can be picked up at any Kenergy office or by downloading the Co-op Connections mobile app. Simply show your Co-op Connections card or app at any participating business and you will receive their discount. It's that easy.

This card not only helps our members save money, but also supports shopping local. Any business can participate - at no cost! If you have questions about the Co-op Connections Card program or if you are a business wanting to participate in the program, please contact [Jeanette Weedman at \(270\) 689-6157 or jweedman@kenergycorp.com](mailto:Jeanette.Weedman@kenergycorp.com)

For a complete list of deals and discounts, visit www.connections.coop and click 'sign up' and then 'login'. You can find discounts at home or anywhere you travel, 24 hours a day.

MEMBER CONTACT INFORMATION DRIVE

Kenergy is asking for your help! We will be conducting a member contact information drive October 1st through 31st. We are implementing new systems within our cooperative and by updating your contact information, it will help us be proactive in contacting our members during outages and planned outages, as well as providing you with imperative information.

All you have to do is call 800-844-4832 during the month of October and talk to one of our Member Service Representatives to ensure that all of your information we have on file is correct.
